

livio Edge^{AI}

.....
Custom rechargeables

When it comes to better hearing, everyone deserves an edge.

The world's first and only custom rechargeable hearing aids

Custom-molded rechargeable hearing aids give you discreet, comfortable and convenient options. They sit completely in your ear, so they won't get tangled or pulled off when wearing or removing face masks.

.....

Game-changing sound with Edge Mode

With just a tap, the AI technology helps improve speech audibility in the most difficult listening situations — including when people are wearing face masks or social distancing.

.....

Personalization perfected

Our Livio Edge AI custom hearing aids fit your unique ear anatomy precisely, delivering comfort and clarity that can't be beat.

Livio Edge AI takes our industry- leading sound performance to new heights

**Stream crisp, clear
phone calls and
experience music
the way it was
meant to be heard.**

**Connect hearing
aids via Bluetooth®
with accessories and
select smartphones.***

**Hear speech
comfortably
even in busy
settings while
unwanted
noise is
suppressed.**

**No buzzing, no
whistling, just
comfortable,
feedback-free
listening all day.**

**Get superior sound
quality, clarity, more
natural hearing and
effortless transitions.**

**Preserve peace
and quiet while
important sounds
like speech are
amplified.**

*Remote Mic Plus is required for certain smartphones.

Custom. Rechargeable. Bluetooth.

Our rechargeable product lineup offers an environmentally friendly and sustainable battery.

- Hearing aids will automatically power on when removed from the charger.
- Charger provides up to 24 hours of power in a single charge.

Talk to your hearing clinician about your lifestyle and how active you are to help find the hearing aid that's right for you.

Two powerful apps that work together

thrive 

For you

Easy personalized control

The Thrive Hearing Control app works seamlessly with Livio Edge AI to give you complete control of your hearing aids.

Mask Mode

This custom memory boosts certain frequencies to help you better hear people who are wearing face masks.*

Thrive Assistant

Use voice commands to get quick answers to questions, set reminders and control your hearing aids.

Auto On/Off

Livio Edge AI detects when you put your hearing aids in and take them out saving battery life.

*Mask Mode only available on select technology levels

thriveCare 

For the people who care about you

Maintain your independence

Thrive Care provides peace of mind to those you choose to share information with while helping you feel confident and independent.

With Thrive Care, you can share helpful information like your physical activity, hearing aid usage, and social engagement with pre-selected people. You decide what to share from your Thrive Hearing Control app—exclusive to Livio Edge AI hearing aids.

Reconnect with what matters most

Sleek, wireless accessories stream the sounds you love directly to your Livio Edge AI hearing aids. Enjoy your favorite music, TV shows and phone calls with excellent sound quality.

1. Remote Mic Plus

Enables easy audio streaming and one-on-one conversations in noisy environments.

2. Mini Remote Microphone

Enjoy one-on-one conversations in noisy environments by clipping it to your conversation partner's clothing.

3. TV Streamer

Easily stream audio from your TV or other electronic audio source directly to your hearing aids.

4. Remote

Easily control memory and volume, mute your hearing aids and turn other special features on and off.

5. Table Microphone

Make group settings easy with eight built-in microphones that stream the primary speaker's voice to your hearing aids.
