

Rechargeable Shipping Guide

Hear better. Live better.

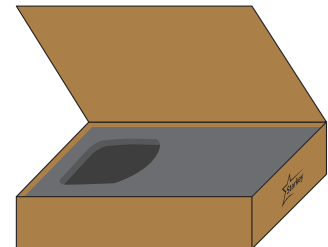

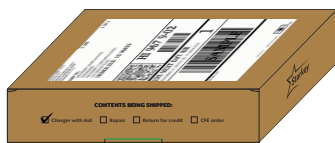

If you are sending hearing aid(s) and charger(s):

This applies if hearing aid(s) and charger(s) are being sent together.

Hearing aids sent alone do not need any special handling or additional labels.

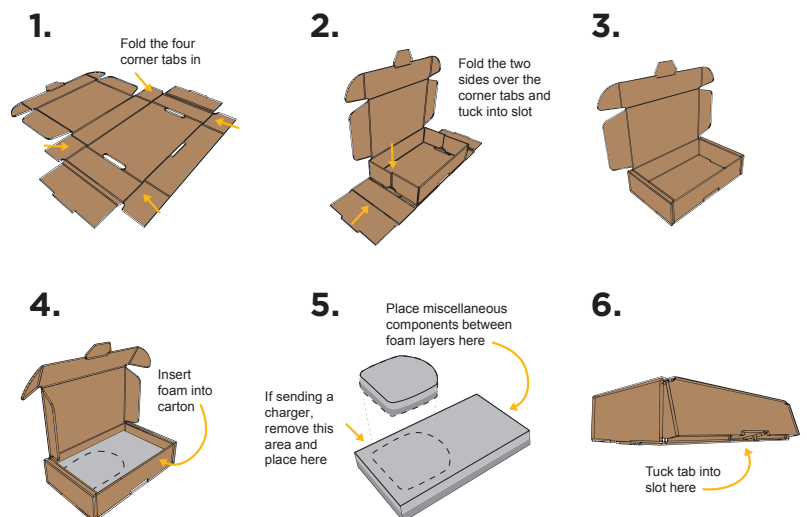

Labels Needed: UPS - Overnight, next day by 10:30AM (Printed or Part number 86105-007)

Prelabeled box available for shipping these items. Images above are for reference only, actual appearance may vary. Part number: 79042-007

Instructions:

- 1 Assemble box and place foam inside the box.
- 2 Place hearing aids inside the charger.
- 3 Remove perforated piece from foam and place charger into the foam slot.
- 4 Insert tab into slot to completely close the box. Add tape if necessary.
- 5 Add Next Day Air/Overnight label (printed or part number 86105-007) to designated area of the box. Check box that applies on outside of the package.

If you are sending charger(s) only:

This applies if one or more charger is being sent in without the hearing aids.

Standard Charger - BTE R/RIC R
Custom Charger - ITC R/HS R/ITE R
SoundGear Charger - ITE R

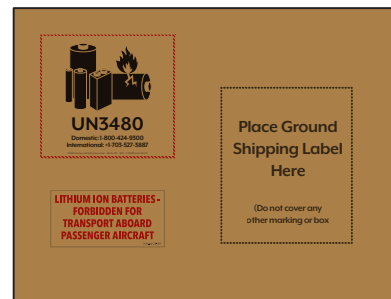

Mini Turbo Charger

Labels Needed: UPS Ground Shipment Label (Printed or Part number 84166-007)
IMPORTANT NOTE: Do not send with any other service other than Ground.

Part Number: 84166-007 (or printed from eStore)

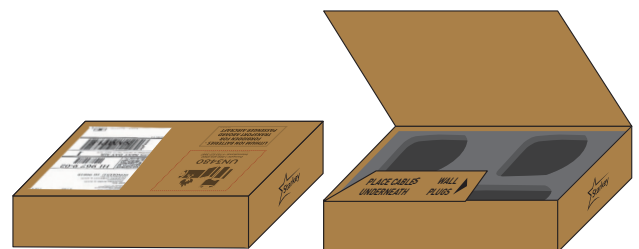

Part Number: 70084-007 | **Do not print**

Images above are for reference only, actual appearance may vary.

Instructions:

- 1 Open box and place charger in open foam slot.
- 2 Tuck flaps into box slots to securely close box. Add tape if necessary.
- 3 Place UPS **Ground** (printed or part number 84166-007) label on designated area of box. Do not cover any other marking on box with shipping label.

Prelabeled box available for shipping these items.
